

Drawing Notes:

Note A:
Trim to be mechanically fastened at 200mm centres. Various profiles can be fabricated to suit. Profile shown for illustrative purposes only.

Note B:
DANO BOND adhesive to be applied in 20-30mm spots every 200mm along the DANOPOL colaminated profile.

Note C:
Sealants are considered maintenance items and should be checked and replaced regularly as part of annual roof maintenance procedures.
