

Disclaimer: Drawings produced by DANOSA UK should be considered non-scalable and for illustrative purposes only. Issued design principals form instructions for the installation of DANOSA UK materials only and should be considered as part of an overall design rather than in isolation. Product 'Technical Datasheets' are available for all DANOSA UK products and should be consulted in conjunction with all issued DANOSA UK installation instructions. Drawings are subject to copyright and should not be reproduced without permission.

Drawing Notes:
The adhesion of insulation to details using DANOBOND adhesive must be to a fully-bonded vapour control layer (as specification) and not directly to the substrate.

DANOBOND Adhesive Application Guidance

Drawing Number: DUK-G-(G)-910	Revision: 00
Date Drawn: January 2018	Author: SL

Drawing Title:
Adhesion of Vertical Insulation Using DANOBOND Adhesive
General Principals

Building together
