

Disclaimer: Drawings produced by DANOSA UK should be considered non-scalable and for illustrative purposes only. Issued design principals form instructions for the installation of DANOSA UK materials only and should be considered as part of an overall design rather than in isolation. Product 'Technical Datasheets' are available for all DANOSA UK products and should be consulted in conjunction with all issued DANOSA UK installation instructions. Drawings are subject to copyright and should not be reproduced without permission.

Drawing Notes:

Note A:
 Thermally broken tube washer shown for illustrative purposes only. Thermally broken tube washers are used in warm roof applications. In cold roof applications, or where thermally broken tube washers cannot be utilised, pressure plates in accordance with the specification are used instead.

Drawing Number: DUK-S-(M)-100	Revision: 00
Date Drawn: March 2017	Author: SL

Drawing Title:
 Mechanically Fastened Overlap
 Single Ply Membranes
